Chandigarh's own 'Disneyland' on local administration's mind

A tourism department officer presented this plan to the Union tourism minister during a meeting of northern states in Chandigarh on August 22, 2024. Its sight set on boosting Chandigarh's tourism to further catapult the economy to higher growth, the UT administration has proposed to develop an amusement park, modelled after Disneyland, on 40 acres near Sarangpur village. Once the proposal gets the ministry's nod, the park will be developed under a public-private partnership (PPP) model. The ministry has already engaged a consultant to implement the Swadesh Darshan 2.0 scheme in Chandigarh, which aims to holistically develop the city as a prime destination. The scheme focuses on creating destinations that offer tourists a well-rounded and immersive experience through a destination-centric approach.

5,500 Drones Light Up Andhra Pradesh's Sky, Set 5 Guinness World Records

Thousands of drones flew over Andhra Pradesh, creating various formations including the national flag, Lord Buddha, an airplane and a drone itself. It was the largest drone show, organised as part of Amaravati Drone Summit 2024, at Punnami Ghat on the banks of River Krishna. Five viewing areas were set up for thousands of visitors who gathered by the river bank to witness the drone display and a laser show on 22 October 2024. The largest drone show created five Guinness World Records under the categories - Largest Planet Formation, Largest Landmark Creation, Largest Plane Formation, Largest Flag Display and Aerial Logo Display. Chief Minister Naidu aims to build Amaravati the drone capital of India and Andhra Pradesh a centre for drone innovation.
