Disneyland in Gurgaon: Haryana CM says talks on for India's first Mickey Mouse & Co park near Manesar

Gurgaon may soon become home to India's first Disneyland amusement park. Haryana chief minister Nayab Singh Saini said the state government is in talks with Disney officials and has identified 500 acres of land in Manesar for the project, a TOI report stated. After a meeting with Union culture and tourism minister Gajendra Singh Shekhawat in Delhi, the CM said the planned amusement park would be a significant boost to the region's tourism and economy. "The project will generate thousands of direct and indirect employment opportunities and bring major changes to the area. It will attract international tourists too," Saini said. If it materialises, this will be Disney's first amusement park in India developed through official collaboration. In February this year, the Maharashtra government had announced a similar plan for a Disney-themed Park in Navi Mumbai.

Timezone Expands Mumbai Footprint with Flagship Entertainment Hub

Timezone, the Australian-based family entertainment brand, has unveiled its largest flagship venue in India, located at Inorbit Mall, Malad in Mumbai. Spanning 24,626 square feet across two floors, the new venue reaffirms Timezone's commitment to the Indian market over two decades after it launched its first Indian outlet at the same mall in 2004. This opening marks a significant step in Timezone's strategy to elevate the experiential retail segment. The flagship venue is designed to cater to a wide range of demographics with activities and amenities focused on group entertainment and social interaction. The venue includes:

- 6-lane social bowling, which does not require special shoes and is designed for casual group play.
- Bumper cars and a laser tag arena
- A selection of over 100 games, including features like Zap Cricket and VR Warship.
- The first Timezone Café in India, offering a 60-seater dine-in experience.

285-cr African Safari to be launched at Gorewada Zoo , Nagpur - India

An African Safari is set to open soon at the Balasaheb Thackeray Gorewada International Zoological Park in Nagpur. Developed over approx. 63 hectares, the safari will feature around 22 African species and is estimated to cost Rs 285 crore. The African Safari will feature both island-dwelling and open-range species. Visitors will see Spotted hyenas, African lions, white rhinoceroses, cheetahs, chimpanzees, and giraffes, among others. The initiative promotes biodiversity conservation, environmental awareness, and offers an immersive wildlife experience, positioning the zoo as the largest zoological park in India with international standards.
