

GRS Fantasy Park opens its Dry Rides and Museum to public

Karnataka Government had released new guidelines on their website. According to these guidelines parks are not allowed to open water attractions until Government allows opening of swimming pools for the public.

To abide by the government regulations, GRS management has decided that the water park and water attractions will remain closed until further notice.

However the Dry Rides, Virtual Reality, AR Room and their famous Up Down Museum is now open to the public. Customers are welcome to enjoy these rides as well relish some tasty food at their restaurant.

Timezone Entertainment is back in Action!

Timezone India has reopened their venues in Bangalore, Kolkata, Vadodara, Goa, Anand, Guwahati, Siliguri, Raipur, Bhopal and Indore.

Timezone India opens in majority markets in India as a part of Unlock5. 15th October was their first day to resume operations. The floor staff is trained to implement a comprehensive and watertight Safety Manual which covers all the safety measures and ensures social distancing.

Apart from the regular sanitization practises, some of their differentiated initiatives include – limited entry mechanism, UV sanitized units at venues & temperature check display of their staff. Timezone has also developed a mechanism that allows to move physical tickets to e-tickets that are loaded on to the cards directly

Bliss Aqua World re-opened on 20th October 2020

After the gloomy period of lockdown, Bliss Aqua World re-opened for its customers and patrons on 20th October 2020. Following the SOP, they have taken safety and sanitization at a very high level. They have set up a Sanitization tunnel at the entrance of the park. Sanitizer dispensers have been set up at all prominent locations. Their staff is well trained and well equipped with masks, sanitizers and gloves. Employees and visitors have to undergo temperature check at the entrance of the park. Water gets chlorinated as per government norms. The restaurant is operational maintaining social distancing.

Dreamworld Amusement Park re-opens' post lockdown

Lucknow has a chance to rejoice and get entertained. Dreamworld Amusement Park in Lucknow (Uttar Pradesh) has finally re-opened from 16th October 2020. The seven month lockdown was unexpected. However the park received good response on the first day of its opening. The park has been prompt in following all safety measures which includes social distancing, compulsory masks for employees and visitors, sanitizers at various places and frequent disinfecting of rides. The park encourages Digital Payment as part of safety norms.
