Sub: Request to allow Re-opening of Water Parks in Maharashtra

Respected Sir,

Namaskar and Warm Greetings from IAAPI !!!

On behalf of IAAPI and our members in the state of Maharashtra we wish to convey our gratitude for allowing reopening of Water Sports, Water activities including Naukavihar, Amusement Park, Entertainment, Indoor Entertainment activities as per Government of Maharashtra Order No. DMU/2020/CR. 92/DisM-1, dated 21st December, 2020. Reopening of parks will now help our industry to work towards its revival.

Indian Association of Amusement Parks & Industries (IAAPI) requests you to kindly allow the Re-opening of Water Parks and Attractions in the state of Maharashtra. Over the last 10 months, tens of thousands of people working in this sector have lost their jobs and livelihoods. There has been closure of many businesses in this sector due to the pandemic.

As per the Notification issued by Ministry of Home, Government of India dated 27th January, 2021 order no: 40-3/2020-DM-I (A) wherein swimming pools are allowed to reopen with no restrictions. We are pleased to highlight the difference between public swimming pools and water attractions in water parks as under: -

- Water attractions like slides in water parks contain much less water.
- Even pools present in water park are much smaller and are never used for swimming purposes.
- Water attractions in water parks can allow only limited number of customers.
- Water is continuously filtered using automatic chlorination disinfection systems to maintain free chlorine levels between 1ppm to 3 ppm as guided by MoHFW.
- Entertainment parks have testing labs for testing of water regularly.

I am pleased to inform you that IAAPI has prepared the SOPs for reopening of Amusement parks and Water parks which is also been issued by Department of Tourism Government of Maharashtra as the reopening SOP. IAAPI will also follow all the guidelines & SOPs set by the state Government and Local Administration.

Keeping in mind the large number of people that the industry employs in Maharashtra, it is our humble request to consider reopening of water parks which will now help the industry to work towards its revival. The industry is an integral part of the state tourism sector and needs your support and guidance.

In anticipation of your support.

Yours sincerely,

Ajay Sarin
Chairman - IAAPI
